

Isintu Samakhosi website: client information request

Sep 27, 2026 · @Ndumiso Mngomezulu

Purpose

The new website is designed and built; we need the information below from Isintu Samakhosi Institution NPC to complete it and go live. The site has 29 pages, including Home, About Us, Our Work (8 programmes), Traditional Leadership, Rural Development, News, Gallery, Get Involved, GBV centres, Transparency, Contact and Privacy.

Where a fact was not yet available, the site uses neutral wording, such as "partners will be announced as agreements are finalised". Nothing has been invented. Each item below replaces that wording with the real details.

How to send it back: reply to Lubelo Tech Solutions by email, or comment directly on this document. Send photos and PDFs as original files, not WhatsApp screenshots, so they stay sharp. Items marked **Needed before launch** block go-live; the rest can follow after launch.

1. Decisions needed first

These three answers affect wording across many pages, so we need them before anything else.

#	Question	Why it matters	What the site uses now	Priority
1.1	Is the legal name "Isintu Samakhosi Institution NPC" or "Sintu Samakhosi Institute NPC" ?	It appears on every page footer, the Transparency page and in search engine data.	"Isintu Samakhosi Institution NPC" (as in the brief and on the Umlazi Food Bank banner). The live site's credentials and the shield logo say "Sintu Samakhosi Institute".	Needed before launch

#	Question	Why it matters	What the site uses now	Priority
1.2	Does the Section 18A tax benefit apply to all donations , or only to the SR Angel (GBV) programme ?	Donors rely on this for their tax claims.	"Qualifying donations receive a Section 18A tax certificate."	Needed before launch
1.3	Is Nomagugu Ngobese's title Prof. or Dr ?	Correct titles matter for dignity and credibility.	"Prof.", as on the live site. Her February 2026 award plaque says "Dr".	Needed before launch

2. Brand and logo

The site currently uses the logo files taken from the live website, which are low-resolution images.

#	What we need	Format	Priority
2.1	The master logo (the shield with the leopard)	SVG or AI/EPS vector, plus a high-resolution PNG with a transparent background	Needed before launch
2.2	A light version of the logo for dark backgrounds (the footer)	SVG or transparent PNG	Needed before launch
2.3	The emblem only (leopard, without the text banner), if one exists	SVG or transparent PNG	Nice to have
2.4	Brand colours and fonts , if a brand guide exists	PDF or a list of colour codes	Nice to have
2.5	Social media links (Facebook, Instagram, LinkedIn, X, YouTube, TikTok), if any	Full web addresses	Nice to have

If the name in question 1.1 changes, the logo text may need updating to match.

3. Organisation and leadership

The About Us and Leadership pages currently show three leaders: Andile Sizwe Phahla, Lindiwe Cathrine Dzimhiri and Prof. Nomagugu Patience Ngobese.

#	What we need	Details	Priority
3.1	Remaining board members	For each person: full name, title, role on the board, a 100 to 150 word bio and a short quote (optional)	Needed before launch
3.2	Portrait photos for every board member	Head-and-shoulders, good light, plain background, at least 1200 px tall	Needed before launch
3.3	A proper portrait of Lindiwe Dzimhiri	The current image is cropped from her Integrity Awards card	Needed before launch
3.4	Approval of the three existing bios	They were taken from the live site and lightly edited for length. Please confirm they are accurate.	Needed before launch
3.5	Founding story in the client's own words	Who founded the Institution, when and why, and any key moments since registration on 26 June 2025	Nice to have
3.6	Staff or management team , if they should appear	Names, roles and photos	Nice to have

4. Traditional leadership and where we work

The site lists only confirmed activity. KwaZulu-Natal is shown as active: the Winston Park office, the Umlazi Food Bank and events in Durban and the uMgungundlovu District. The other eight provinces show "To be confirmed".

#	What we need	Details	Priority
4.1	Partner kingdoms, chiefdoms and traditional councils	Names, the province of each, and written permission to name them publicly	Needed before launch

#	What we need	Details	Priority
4.2	Provinces with confirmed activity beyond KwaZulu-Natal	For each: the province, the town or area, and the activity (business chamber, GBV centre, event or programme)	Needed before launch
4.3	How councils engage with the Institution	Please confirm or correct the site's wording: a council invites the Institution, programmes are agreed with the council, and for GBV centres the council passes a formal resolution	Needed before launch
4.4	Photos of work with Amakhosi , with consent	Original files, with names and places for captions	Nice to have
4.5	Profiles of specific kingships , history articles or video interviews	Planned for a later phase of the Traditional Leadership page	After launch

5. Programmes

Each of the eight programme pages has a **Partners** panel and a **Targets and status** panel. Most currently say partners "will be announced". Please supply what you can for each, and confirm the programme descriptions are accurate.

Programme	What the site says now	What we need
Business chambers	Being established across all nine provinces with chiefdoms and kingdoms	Named partners; number of chambers formed or in formation, and where
The Rural Fund	Being established with credible financial institutions	Partner institutions (once public); current stage, such as design, registration, capitalisation or live
Rural economic development	Ongoing: farmer training, marketplaces, microloans	Partners; farmers trained, marketplaces supported, microloans issued
Township economy	2026 business days for salon and beauty enterprises and liquor traders	Businesses supported to date; any further partners

Programme	What the site says now	What we need
SMME and co-op incubation	Supporting businesses from registration to market access	Incubation and mentoring partners; SMMEs and co-ops in incubation
Informal mining formalisation	Championing formalisation; planning refinery centres	Partners; sites identified; miners engaged
Ubuntu Data Bank	The central operational intelligence system	Technology partners; current development stage
National GBV centre rollout	See section 6	See section 6

For each programme we would also welcome **photos of the actual work**. Three programme pages use general photos as stand-ins: Informal mining, Ubuntu Data Bank and the GBV rollout. **Priority:** named partners and one figure per programme are needed before launch; photos can follow.

6. GBV centres

The GBV centres page has a rollout tracker showing progress towards **25 traditional councils in year one**. It currently shows no number and says progress "will be published as councils sign on".

#	What we need	Details	Priority
6.1	Councils signed so far	How many of the 25 have passed a Traditional Council Resolution. We can show this number on the tracker.	Needed before launch
6.2	Pre-deployment documents 5 to 8	The site lists four of the eight control documents (community baseline assessment, Traditional Council Resolution, referral pathway map, risk and safety plan). Please name the other four, each with one line on its purpose.	Needed before launch
6.3	The five accredited courses for traditional leaders	Course names, and the accrediting body if it can be named	Nice to have

#	What we need	Details	Priority
6.4	Partner confirmation	The site names DBT Studies, accredited GBV curriculum specialists, SABC 1, the Department of Social Development and the Department of Women, Youth and Persons with Disabilities. Please confirm each may be named publicly.	Needed before launch
6.5	GBV support contacts	Should the page list national helplines (for example the GBV Command Centre)? We will only add numbers the client confirms.	Needed before launch

7. Donations and the SR Angel programme

The Get Involved page has a "Become an SR Angel" panel with three steps: get in touch, make your donation, receive your 18A certificate. Donors currently enquire by email.

#	What we need	Details	Priority
7.1	How to give	Choose one: (a) show banking details on the site, (b) send them on request only, or (c) set up an online payment gateway such as PayFast, Yoco or SnapScan	Needed before launch
7.2	Banking details, if option (a)	Account name, bank, account number, branch code and payment reference format	Needed before launch
7.3	SR Angel giving tiers, if any	Tier names, amounts in rand, and what each tier funds	Nice to have
7.4	18A certificate process	Who issues certificates, what the donor must provide (such as ID or company registration number and tax number), and how long it takes	Needed before launch

#	What we need	Details	Priority
7.5	Corporate CSI and ESD partnerships	A contact person, and any minimum or reporting commitments to state	Nice to have
7.6	Payment gateway account, if option (c)	Merchant account details for the site to connect to	After launch

8. Documents and compliance

The Transparency page lists six documents, each with a "Request a copy" email link. Once the PDFs arrive, visitors can download them directly.

#	What we need	Format	Priority
8.1	CIPC company registration certificate (2025/510829/08)	PDF	Needed before launch
8.2	NPO registration certificate (285-310)	PDF	Needed before launch
8.3	PBO and Section 18A approval letter (930073548)	PDF	Needed before launch
8.4	PSEA policy (Protection from Sexual Exploitation and Abuse)	PDF	Needed before launch
8.5	Code of Conduct	PDF	Nice to have
8.6	Annual reports and financial statements	PDF	After launch
8.7	Tax number check: the site shows 9111068293 (from the live site). Please confirm.	Yes or no	Needed before launch
8.8	POPIA Information Officer: the Privacy page says the head of the Institution acts as Information Officer. Name another person if someone else is designated.	Name and email	Needed before launch
8.9	Legal review of the privacy notice by the client's legal adviser	Written sign-off	Needed before launch

Please tell us if any document should **not** be public, and it will stay available on request only.

9. News and media

The News page has six stories, built from the posters and photos supplied, plus three research papers marked "Coming soon".

#	Story	What we need
9.1	Umlazi Food Bank Programme	The date , households reached, partners, and whether it continues
9.2	Youth digital empowerment master class (11 June 2026)	A short report on the day, attendance and photos
9.3	Liquor traders skills day (28 May 2026)	A short report and photos
9.4	Salon, beauty and wellness business day (25 April 2026)	Outcomes and photos
9.5	Integrity Awards nomination for Lindiwe Dzimhiri (21 March 2026)	The outcome , and a comment from the Institution
9.6	Prof. Ngobese honoured (20 February 2026)	Confirm "The Legends Experience" is the correct event name, and name the host
9.7	The three research papers	The expected publication dates, or the papers themselves when ready
9.8	Ongoing news	Who will send new stories, and how often, such as monthly
9.9	Photo consent	Confirmation that people in the supplied photos agreed to appear online, especially children and community members

Priority: 9.1, 9.5 and 9.9 are needed before launch; the rest can follow.

10. Technical and launch

The site keeps the live site's web addresses (such as /about, /our-work and /get-involved), so existing links keep working after the switch.

#	What we need	Details	Priority
10.1	Domain access for isintusamakhosi.org.za	Who manages the domain and DNS, and a login or a contact who can update records	Needed before launch
10.2	Hosting choice	Vercel (recommended for this build) or the current host; account access or billing owner	Needed before launch
10.3	Email sending for the enquiry form	Approval to set up a Resend account for isintusamakhosi.org.za, or details of the client's own email provider	Needed before launch
10.4	Enquiry inbox	Confirm enquiries should go to info@isintusamakhosi.org.za, or name another address	Needed before launch
10.5	Old .co.za domain	Does the client own isintusamakhosi.co.za (printed on the Umlazi banner)? If so, it should redirect to .org.za.	Needed before launch
10.6	Content editing	Will staff edit content themselves? If yes, we will add a content management system (CMS). If no, Lubelo Tech Solutions will make the updates.	Needed before launch
10.7	Analytics	Approval to add privacy-friendly visitor statistics	Nice to have
10.8	Final sign-off	A named person to review the site and approve go-live	Needed before launch
